The Chair welcomed Members and confirmed that this Special General Meeting of Members had been properly convened and that there was a quorum present.

Following communication with the Charity Commission it was proposed by Derek Rosamond and seconded by Peter Chapman that we replace our existing Objects with the following Object:

To advance the Christian Faith in Stockton-on-Tees and in such other parts of the United Kingdom or the world as the Management Committee may from time to time think fit particularly but not exclusively by means of caring, listening and helping people on the streets and at various venues day and night.

After a full discussion a vote was held and all members voted in favour. There were no abstentions.

It was noted that the new Object would be communicated to the Charity Commission forthwith.

Any Other Business

There was no other business and the Chair duly closed the meeting.
