

You can support us in the following ways:

**Volunteering for STP Patrols** Our motivation as a Christian project is to bring God's love to all people, and this project extends a warm welcome to applicants not only from churches but to those who share our concerns and values and are willing to undergo training.

**Support in Prayer** If you are the leader of a church or small group, or an individual and would like to be kept informed of our activities then please email the project manager, who will send regular prayer requests and make regular visits to your prayer group to keep you closely informed.

**Support Financially** We do not receive public funding and are entirely reliant upon individual giving and small local grants.

If you would like to make a donation you can do so online by visiting our website and clicking on the 'BT MyDonate' logo on our home page.
